About Sue Harrison:

Susan Harrison graduated in Perth in 1982 and since this time she has worked in a variety of paediatric settings including what was then known as “The Authority for Intellectually Handicapped”, Wanneroo Hospital, Child Development Centre and Osborne Park Hospital. Susan presented workshops for teachers focussing on pre-school aged children and the Marion Blank approach for language facilitation. She has been working in private practice for 15 years in Trigg. Susan is a certified practising speech pathologist.
